FROM THE DIRECTOR OF **FOR THE BIBLE TELLS ME SO**

“So inspiring! I loved the stories of everyday heroes - people who are doing their part to make this a world that works for everyone. A great film!” -Caroline Boudreaux, Founder, The Miracle Foundation

“**EVERY THREE SECONDS** is an empowering, beautiful act of compassion that will move you to do what evolution has designed us to do – take care of our fellow human beings in small acts of grace.”

-Dacher Keltner, Founding Director, The Greater Good Science Center

In a society where materialism reigns, what is the real secret to happiness?

Award-winning filmmaker Daniel Karslake tells the unforgettable stories of five regular folks – a boy, a college student, a thirty-something and two seniors – whose lives went from ordinary to extraordinary based on one simple decision: to engage. Each chose action over apathy, and in the

process, each one has had a significant and lasting impact on two of the most challenging, yet solvable, issues of our time: hunger and extreme poverty.

Every Three Seconds is about doing well by doing good, about changing the world and changing your own life in the process.
