"Brilliant!" – *Indiewire*

"(An) extraordinary film!" – *Spirituality & Health*

"The film achieves its greatest power as it explores the conflicts faced by a woman torn between two worlds, both of which seem bent on denying her very humanity...an important and moving film." – *All Media Guide*

"The forcefulness of its message makes it a rewarding cinematic experience...a moving portrait of societal and religious discord." – *The Hollywood Reporter*

"An accomplished work...its extraordinary appeal flows from the fact that it is simply a good story, unfussy in the telling, and true to its milieu." – *Frontline*
